

Atty. Docket No. 41575/27975(106)

REMARKS**I. Terminal Disclaimer**

In response to the double patenting rejection, a terminal disclaimer is filed herewith to disclaim the terminal part of any statutory term for any patent granted on the pending application which would extend beyond the expiration date of the term of U.S. Patent No. 6,619,739 B2.

Both the present application and the '739 Patent are commonly owned by L&P Property Management Company, as evidenced in the USPTO assignment records. In particular, the assignment of the present invention is documented at Reel/Frame 013317/0409.

II. Claim Objection

Claim No. 3 has been amended to correct the cited informality.

III. Conclusion

All of the stated grounds of objection and rejection have been properly traversed, accommodated, or rendered moot. Applicant therefore respectfully requests that the Examiner reconsider all presently outstanding rejections and that they be withdrawn. Prompt and favorable consideration of this Amendment is respectfully requested.

Respectfully submitted,
